- Black Box Testing
- Whitebox Testing
- Functional Testing
 - System Testing
 - User Acceptance Testing (UAT)
 - Stress Testing
 - End to End Testing
- Non-Functional Testing
 - Load Testing
 - Performance Testing
 - Usability Testing
 - Security Testing

Introduction to Molazmat: -

Molazmat is a comprehensive skilled and unskilled job portal catering different skilled and unskilled job categories across Pakistan from 'Driver' to 'Waiter', 'Chef to Cleaner' and much more. It is a social entrepreneurship project by Commune solution (A sister concern of Epic Group) we are working with the aim to bridging the gap between prospective employees and potential candidates through technology across Pakistan. Molazmat strives to provide its clients a one-stop solution to search and hire against skilled, semi-skilled and/or unskilled positions in a matter of few clicks. It is a social entrepreneurship project by Commune solution (A sister concern of Epic Group)

Purpose of Document: -

Catches out bugs and reported them for fixing according to their priority levels to enhance the application's quality and helps to produce a quality product. Documented the bugs for molazmat.com are main purpose of this document.

1) W3C Validation Testing: -

- Catches HTML and CSS Markup language Tools
- Cannot validate the Markup language due to Expiration of Security Certificate 58 Days Ago

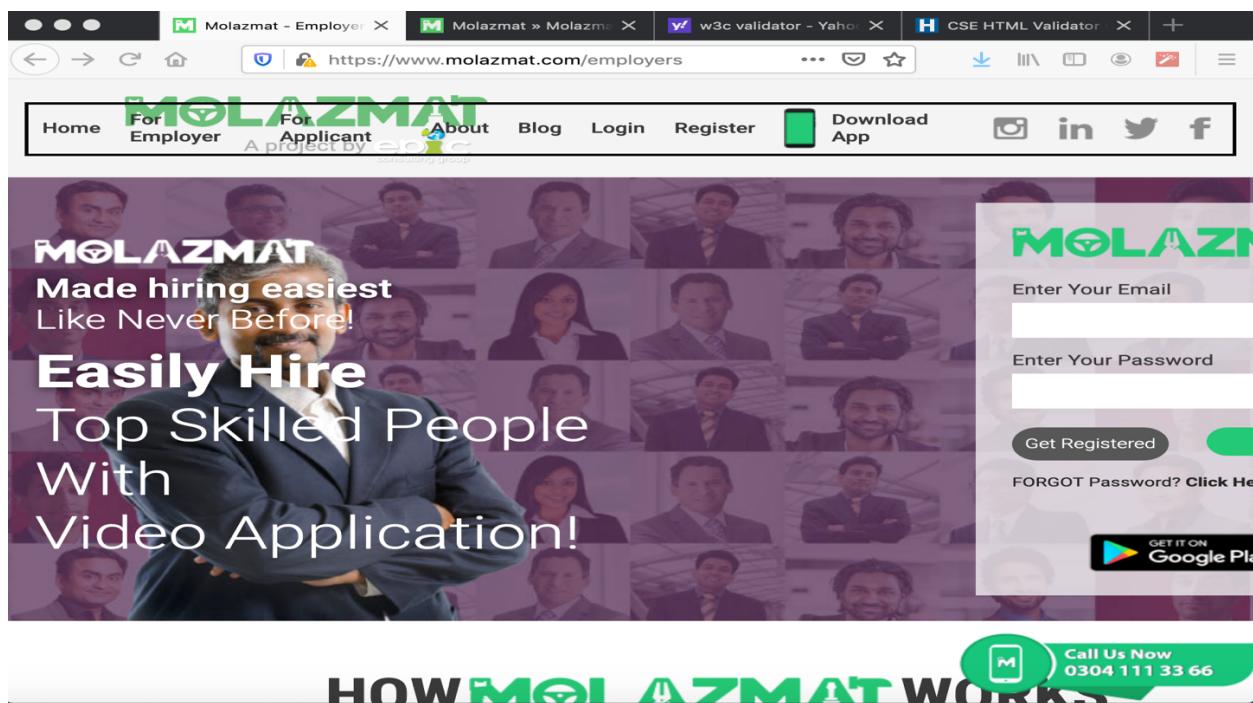

The screenshot shows a browser window with the URL `validator.w3.org/check?uri=https%3A%2F%2Fmolazmat.com&charset=%28detect+automatically%29&doctype=inline&group=0`. The page title is "Markup Validation Service" and the sub-instruction is "Check the markup (HTML, XHTML, ...) of Web documents". A red banner at the top says "Sorry! This document cannot be checked." Below it, a message states: "I got the following unexpected response when trying to retrieve <<https://molazmat.com/>>: 500 Can't connect to molazmat.com:443 (certificate verify failed)". A note below says: "If you made recent changes to your domain name (DNS) configuration, you may also want to [check that your domain records are correct](#), or ask your hosting company to do so." At the bottom, there's a navigation bar with links to Home, About..., News, Docs, Help & FAQ, Feedback, and Contribute. The W3C logo is visible on the left, and a copyright notice at the bottom right reads: "COPYRIGHT © 1994-2013 W3C® ([MIT](#), [ERCIM](#), [KEIO](#)), ALL RIGHTS RESERVED. W3C LIABILITY, TRADEMARK, DOCUMENT USE AND SOFTWARE LICENSING RULES APPLY. YOUR INTERACTIONS WITH THIS SITE ARE IN ACCORDANCE WITH OUR PUBLIC AND MEMBER PRIVACY STATEMENTS." A "VALIDATION" button is also present.

2) Cross Browser Testing: -

Fire Fox: -

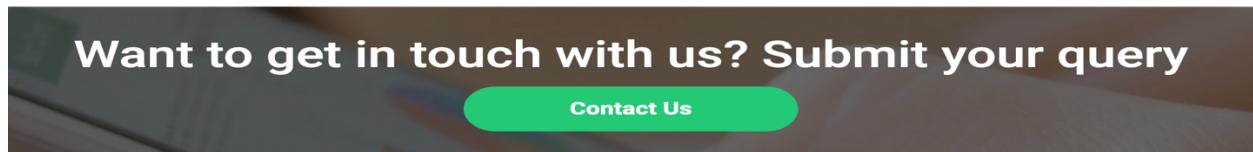

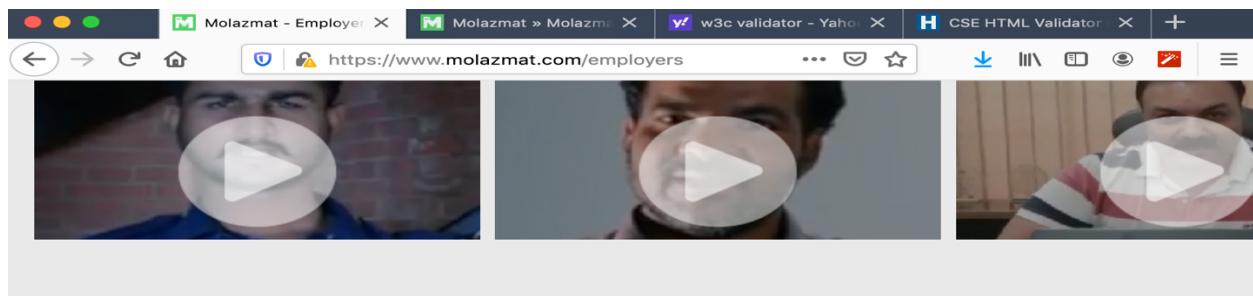

Header's Web Elements: -

- At minimizing the browser window header icons and text overlapping.
- Login box is not self-adjusting according to browser resolution.

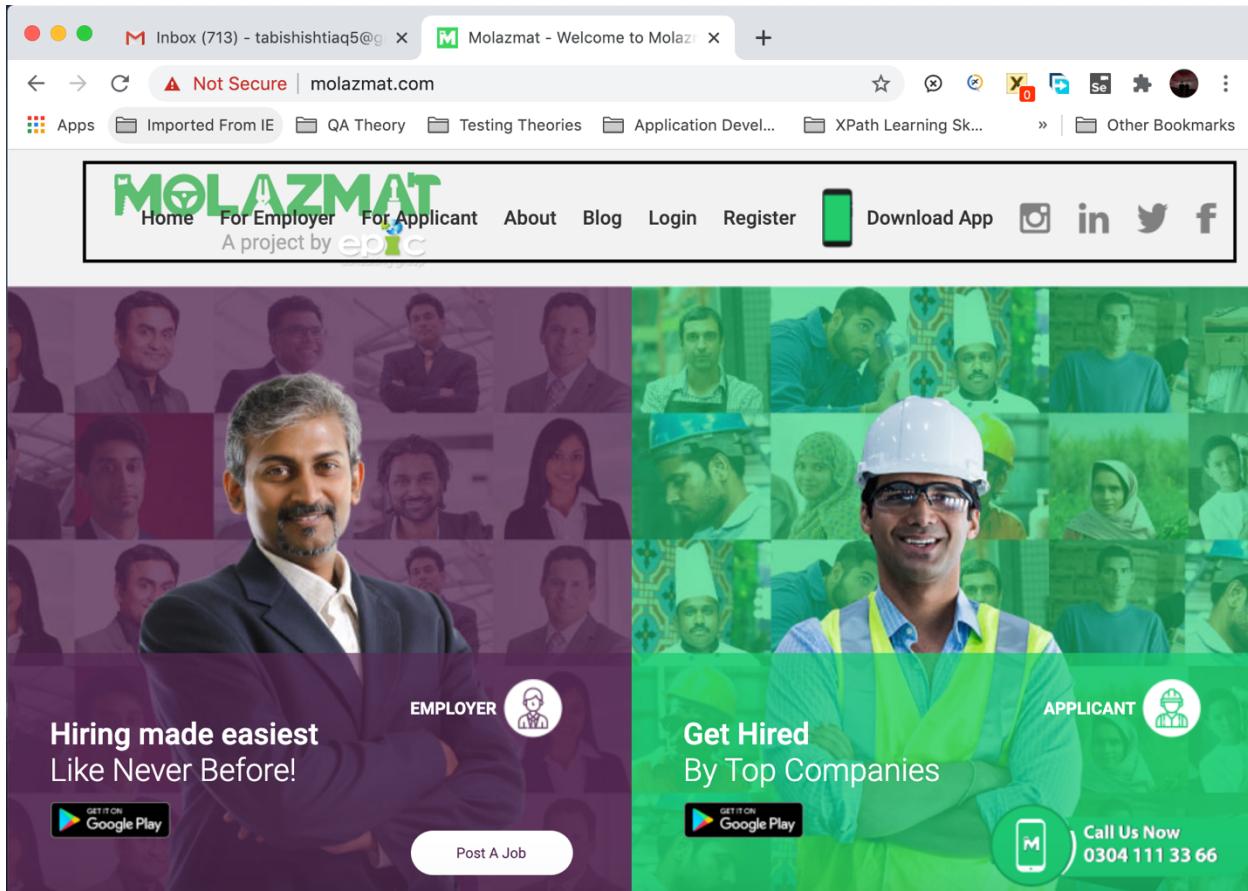

Footer's Web Elements: -

- At minimizing the browser window at footer, the app share link on default social media fails to re-adjustments according to window size.

Chrome Browser: -

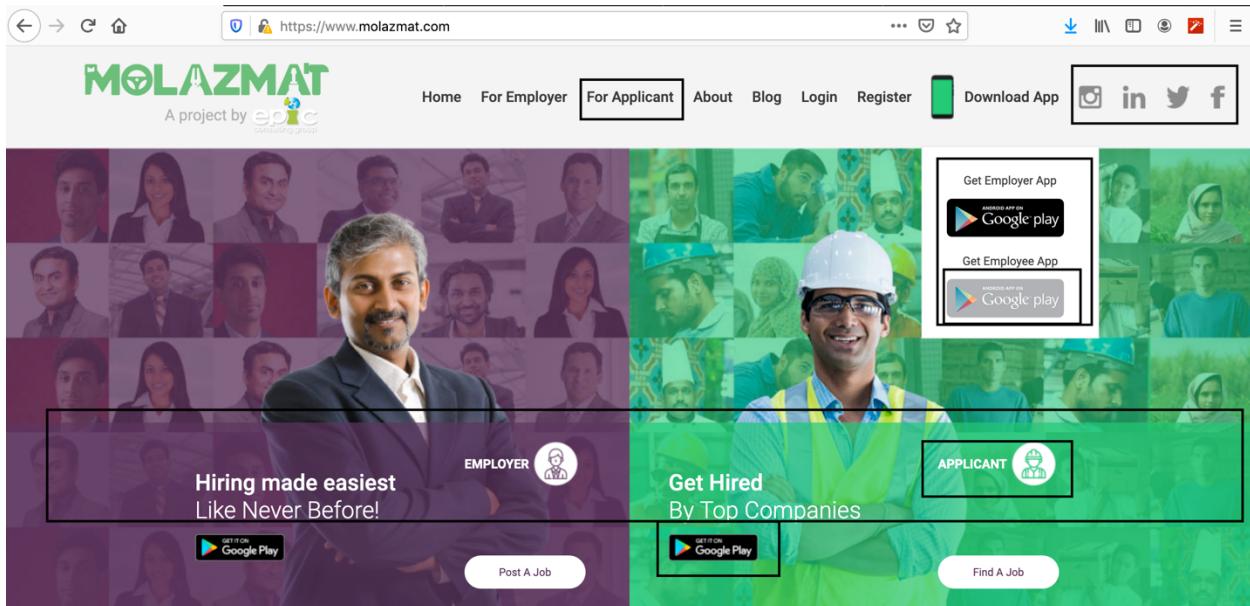

3) Graphical User Interface Testing (GUI): -

Home Page Interface: -

- Use of word Applicant for interface whether in download link use work employee.
- Color theme Difference for app download for employer and employee.
- Color theme of social media links should set to default theirs's original color theme.
- Application download button color as applicant in black whether in header the download button color theme is given as grey for employee.

- Download App dropdown box's background theme is different from the header background color theme, should be same in header background color theme.
- Post A Job and Find A Job button background color theme is white, they should be in header background color theme.
- The detail bar should be solid form so it could feel better instant of feeling over lapping text on pictures.

The screenshot shows a web browser window for 'Molazmat - Edit Personal Profile' at the URL https://www.molazmat.com/employer/edit_profile. The page has a header with the 'MOLAZMAT' logo and a sub-header 'A project by eGIC'. The main content area is titled 'EDIT YOUR PROFILE' and contains fields for Name (tabish), Email (tabishishtiaq5@gmail.com), and Mobile#. Below these fields is a large blue 'Submit' button. In the top right corner, there is a purple 'Post Job' button and a user dropdown menu for 'tabish' which includes options for Dashboard, Purchase History, Change Password, and Logout. At the bottom of the page, there is a dark banner with the text 'Want to get in touch with us? Submit your query' and a green button with a phone icon and the text 'Call Us Now 0304 111 33 66'.

Footer Links:

- Are opening in same browser window instead of open's in new browser window after clicking links.
- No FAQS or helping document section available for users.

The Molazmat website landing page. It features two main sections: "I am Employer" on the left (purple background) and "I am Employee" on the right (green background). Both sections include a small profile icon and a call-to-action button. The employer section says "Show me how to get video CVs" and the employee section says "Show me how to apply via video CVs".

A contact form section with a dark background. It features a large text input field with the placeholder "Want to get in touch with us? Submit your query". Below the input field is a green button labeled "Contact Us".

A footer navigation menu enclosed in a white box with a black border. It contains several links with corresponding icons:

5) White-Box Testing: -

For Applicant: -

- The URL name for employees and module name is different should be same.

The screenshot shows the Molazmat website homepage for applicants. At the top, there's a navigation bar with links for Home, For Employer, For Applicant (which is highlighted), About, Blog, Login, Register, and a Download App button. Below the navigation is a large banner with the text "GET HIRED By Top Companies Through Your Video CVs". To the right of the banner is a form for users to enter their name, mobile number, interests, city, and address, along with a "Get App Link" button and a Google Play download link. At the bottom, there's a section titled "HOW MOLAZMAT WORKS" and a "Call Us Now" button with the phone number 0304 111 33 66.

Login Module: -

- User field is not validating email address format “@” sign or Phone Number character limit and not showing valid error message on using email address without “@” sign and inputting invalid characters for phone number.

The screenshot shows the Molazmat login page. The URL in the browser is https://www.molazmat.com/users/login. A modal window is open, asking for "Enter Your Email or Phone Number *". The user has entered "tabishishtiaq". Below it, another input field asks for "Enter Password *". A red error message "This is a required field" is displayed above the password field. There are "Forgot password? Reset Now" and "Login" buttons. Below the modal, a link says "New on Molazmat? Click here to Register". At the bottom of the page, there's a banner with the text "Want to get in touch with us? Submit your query" and a "Contact Us" button.

6) Functional Testing: -

Consumer Registration: -

- Consumer user is unable to register with valid number.

The screenshot shows the Molazmat consumer registration form. At the top, there are tabs for 'CONSUMER' and 'CORPORATE'. The 'CONSUMER' tab is active. Below the tabs are several input fields: 'Enter Your Name *' with the placeholder 'Tabish', 'Enter Your Phone *' with the placeholder '0334-330-8650', 'Enter Password *' with a redacted password, 'Confirm Password *' with a redacted password, and a checkbox for 'I agree to terms & conditions' which is checked. A red error message box at the top left says 'The phone number field is required'. At the bottom right of the form are 'Already Registered? Login Now' and a green 'Register' button. The background features a grid of many small portraits of people.

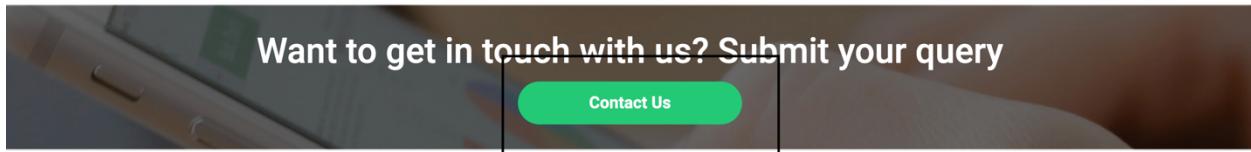

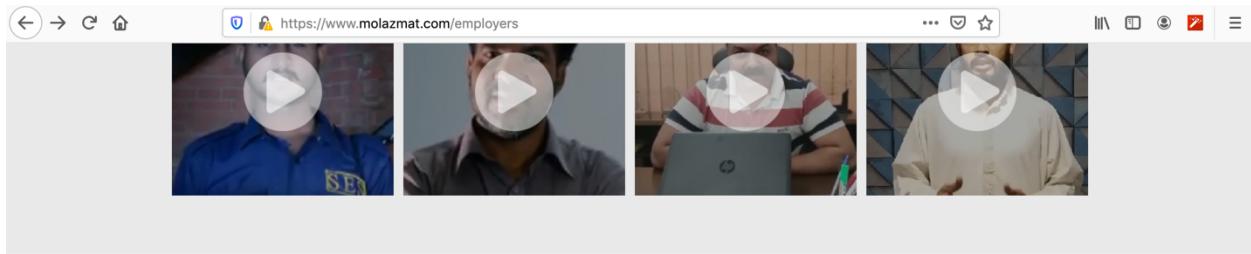

For Employer: -

- Links are not working.

The screenshot shows the Molazmat employer page. At the top, it says 'Molazmat - Employers' and the URL 'https://www.molazmat.com/employers'. To the right is a sidebar titled 'ABOUT COMPANY' with a logo and the text 'Albayrak Group of Companies is now serving in various main sectors around the world including construction, industry, logistics, media, services, energy and tourism with 20 companies.' Below this is a section titled 'OPENING JOBS' with the number '6'. In the center, there's a box titled 'CURRENTLY OPEN JOBS' containing several buttons for job titles: 'FARE COLLECTOR/CONDUCTOR', 'DRIVER (PSV/HTV)', 'TYRE MAN', 'AUTO ELECTRICIAN', 'AUTO MECHANIC', and 'COURIER BOY'. To the right of this box is a call-to-action button 'Apply on all other jobs directly in the app'. At the bottom right is a 'GET IT ON Google Play' button with the Google Play logo.
